

Sales Training & Execution Program

A 3-Month Transformation from Beginner to Independent Sales

Performer

Bridging the Sales Gap

Why traditional theory fails in the real world

The Core Problem

Lack of Action

Most programs focus on theory.
We focus on real calls to real prospects.

Fear of Rejection

Without guided practice,
beginners freeze when faced with
"No."

No Feedback Loop

Learning in a vacuum prevents
improvement. We monitor and
correct live.

Program Overview

A high-impact virtual program designed for anyone hungry to learn real sales skills.

- ✓ 100% Online & Virtual Learning
- ✓ Real Startup Sales Exposure
- ✓ Performance-Based Commissions
- ✓ No Prior Experience Required

The 3-Month Roadmap

Phase 1

The Foundation

Mindset, Communication & Buyer Psychology, Market and the products and services of the startup you work on .
(First 15 days)

Phase 2

Guided Execution

Real calls under monitoring & live feedback and Commission will be provided.
(Month 1.5 - 2.5)

Phase 3

Independence

Closing deals independently & earning commission
(Month 2.5 - 3)

Phase 1: Building the Base

Mindset & Psychology

Mastering rejection handling, staying consistent, and understanding why people buy or don't buy.

Communication Mastery

Learning how to speak clearly, build instant rapport, and project confidence on every call.

Phase 2: Guided Action

This is where real learning begins. You start making real calls to real prospects.

Live Monitoring: Your calls are reviewed.

Immediate Correction: Feedback after every call.

Fear Removal: Confidence through practice.

Phase 3: Independent Performance

-  **Full Ownership:** Handle the complete sales pipeline from prospecting to closing independently.
 -  **Commission Based:** Start earning real revenue for every successful deal you close.
 -  **Professional Maturity:** Think and act like a high-performing professional salesperson.
 -  **Expert Safety Net:** Mentors step in only when you are genuinely stuck.
